Voters To Vote On Franchise Proposal

The proposal that the City of Pahokee grant a franchise to the Florida Power and Light Company to furnish electric power to the community for the next 30 years will again be brought before Pahokee voters for a decision in a special referendum election Tuesday, May 26. Preparations for the referendum were made by the City Council in regular session Monday night. Read at the meeting were resolutions addressed to the Council from the Business and Professional Woman's Club and the Lions Club recommending that the 30-year franchise be granted and asking the Council for a referendum on the issue.

Read at the meeting also was a petition by some of the property owners on Greentree Avenue in Vetteville subdivision requesting that the city build sidewalks in front of their property. Streets Superintendent Marvin Cowart was asked to contact the other property owners living on this avenue and if it is found a majority of them want sidewalks the Council will act to have the walks built.

Mayor F. S. (Dick) Parrish was authorized to make arrangements with the Florida Power and Light Company to install street lights in the new housing projects known as McClure and Stuckey Villages; also to have three additional street lights installed at Pahokee Harbor. (continued on page 8)

Hibiscus Is County Official Flower

The hibiscus plant Monday was named the official flower for Palm Beach County, on motion of Commissioner Paul Rardin of Canal Point.

Official action came after Commissioner Chairman Lake Lytal said he had contacted all garden clubs in the county and that members approved the suggestion of having the Hibiscus as the official county flower.

Commissioner Paul Rardin observed that selection of an official flower was 50 years in the making. Palm Beach County is celebrating its Golden Anniversary this year, and until this week, has been without an official blossom.

County Board Is Against New Time

Following its policy of many years, the County Commission again this week voted against a change to daylight saving time on motion of Commissioner Paul Rardin of Canal Point.

The board some time ago decided it favored the present eastern standard time but meanwhile, said Chairman Lake Lytal, several residents have expressed a desire for a change.

Lytal asked a packed commission audience for an expression on the matter and with few exceptions the vote favored the present eastern daylight time.

So you can still catch those extra forty winks per day.

Jaycee's Lauded For Sun Dance Work

The West Palm Beach Junior Chamber of Commerce drew commendation from the County Commission this week for the Jaycee's sponsorship of the Sun Dance celebration held in the Palm Beaches last week.

The commission termed the celebration "a splendid public service" and one which gained favorable publicity for the area.

The Sun Dance was revived in West Palm Beach this April after a lapse of several years. Feature of the week-long celebration was a historical pageant about early history of the area.

Insurance Bids Exactly The Same

Palm Beach County Commissioners faced a knotty problem this week—having to select a successful insurance bid from four exact offers which were submitted to the board Monday for coverage on county airparks.

Agents from West Palm Beach and Lake Worth submitted exact bids as did one individual agent from West Palm Beach, who now has the airport coverage.

Prior to opening the bids, the commission heard an offer from the West Palm Beach Insurance board, to furnish the county—at no cost—an insurance manager to advise the board on insurance problems.

The offer was made by W. Pat Fischer, who said the insurance manager would eliminate "politics and bring peace of mind" to the commission.

Commissioner Roy Michael said he believed the idea of having a (continued on page 8)

Weekley's Bid Low Lake Shore Drive

At the State Road Department letting in Tampa on Tuesday the Weekley Paving Company of Hallandale, Fla. was low bidder on construction of Lake Shore Drive in Canal Point. The Hallandale firm bid \$155,945.93 on construction of .6 of a mile project here in Canal Point from the bridge south to the parking house area.

Present plans call for the construction work to start within 30 days or just as soon as an order of talking can be executed through the Circuit Court for some pieces of right-of-way not yet secured.

Lack Of Money To Slow Claims Court

A legislative act which would have given F. A. Currie, judge of the county small claims court, a boost in salary and two other acts providing for added expenses in the small claims office, were sidelined by the county commission Monday.

The commission, earlier this year, requested the county legislative delegation to hold up proposed bills which would create added expenditures for the commission, in the middle of its budget year. The board asked that all such bills be made effective with the county's fiscal year so that funds could be made available.

Judge Currie said the bills concerning his office had been drawn by the Bar Association and were written to be effective July 1. He said he would ask the bills be rewritten making October 1 the effective date.

The action will delay start of a small claims court in the Glades since the proposed legislation provides salary for a clerk and mileage for the judge.

Other money bills effecting the county and now in the legislative hopper are expected to get similar treatment.

James Gibson New Pres. C. P. Lions

Canal Point Lions elected James M. Gibson their new president at the annual election of officers held in the Community Building Monday night with H. H. Sears, retiring president, presiding.

Other new officers recommended by the nominating committee and elected by unanimous vote were Phelix A. Slonaker, first vice president; H. G. Boynton, second vice president; J. G. Weeks, third vice president; James L. Turner, secretary; H. H. Sears, treasurer; Delmar Hooks, Lion tamer; Albert Fremd, tailwister; W. W. White and M. L. Barfield, one-year directors. Floyd Erickson and Gauden Harrington are hold-over directors. The new slate of officers will be installed at the club's last meeting in June.

No Opposition In City Council Race

The May 5th city election in Pahokee will be more formality with no chance of affecting the present set up in the city government. Two councilmen are to be elected and the incumbents, George Tucker, Jr., and Hugo Boe, are both seeking reelection without opposition.

Even the proposed changes in the city charter, which would provide for the annexation of a new residential area, in the southwestern suburbs and a city-manager form of government, will not be voted on in this election as the State Legislature will not have passed the special bills covering the proposed changes in time for a referendum vote on May 5.

Mr. and Mrs. I. Marshall Laird has as a recent guest her brother, John H. Howell of Detroit, Mich.

Safety Dinner Given FP&L Co. Workers

Curtis Chase, Manager of the Glades District for Florida Power and Light Company said today that the company's distribution department employees were awarded a Safety Dinner Friday night, April 24, 1959 at the Boy Scout Beach in recognition of a total of 161 work days or 28,844 man hours without a lost time accident.

All company employees in Pahokee and Belle Glade offices and their families, totaling 130 guests, joined with these line workers in enjoying the chicken and ribs Bar-B-Q.

Rardin Is County Budget Chairman

Careful scrutiny of all requests from county officials and department heads during the county commission's coming budget studies was assured this week by Commissioner Paul Rardin, who was named chairman of the board's budget committee.

Commissioner Rardin assured the board he would keep a close watch on the county's purse strings and suggested that all department heads and county officers get a "good strong letter" about holding office expense to a minimum.

The budget chairman said the commission "may not be able to hold the line on any increase in taxes," but said all efforts will be pointed toward economy in county government.

In another item on taxes, Commissioner Rardin said he would vote against any action designed to increase gasoline taxes, saying "we have too many taxes now."

Funeral Service For Mrs. Thompson, 70

Funeral services for Mrs. Grace Thompson, 70, of Belle Glade were held at the First Baptist Church in Belle Glade Monday at 9:30 p. m., with the Rev. U. W. Malcolm, pastor, officiating. Burial was at Port Mayaca.

Mrs. Thompson, a former resident of Swainsboro, Ga., died unexpectedly in her sleep early Sunday morning at the J. Mark Fish Camp where she made her home.

Survivors include her husband, George Thompson, Belle Glade; four daughters, Mrs. Mark Chalmers, South Bay, Mrs. D. W. Matthews and Mrs. Jim Maynor, both of Belle Glade, and Mrs. J. Fred Bridges, Fort Pierce; three brothers, Raymond Christian, Clewiston, Johnny Christian, Savannah, Ga., and Hewitt Christian, Millen, Ga.; four sisters, Mrs. Walter Boatwright, Pahokee; Mrs. Audie Hooks, Sr., Clewiston; Mrs. John Peebles and Mrs. T. E. Hooks, both of Savannah; 12 grandchildren and two great-grandchildren.

Why Florida beef, with its concentrated protein is vitally important in reducing diets is being told in folders just printed by the Florida Beef Council. They can be obtained from the demonstration agents of the Florida Agricultural Service.

'Farming' Is Theme Cub Scout Meeting

"Farming" was the program theme at the April meeting of Pahokee Cub Scout Pack held in the social hall of the Elks Club Tuesday night with Cubmaster Perry Duke presiding. On display at the meeting were miniature farms and gardens with growing plants that had been built and cared for by the cubs during weekly den meetings for the past month. Each of the dens presented a skit relating to farming.

Awards presented by Cubmaster Duke at the meeting included gold arrows to Mike Elliott, Rammie Long, Lynn Woofert and Jimmy Holman; silver arrows to Bill Moss, Dick Tyson, Jimmy Holman, Rammie Long and Omar Adams; Lion badges to Joe Hatton, III, William McKinstry and Jimmy Holman; bear badges to Billy Weathers and Glenn Stewart; Wolf badges to Johnny Barwick, Lynn Fisher and Barry Rainier; webleo badges to Mike Cowart, Jimmy Tyson, Ried Tillery and Cal Spooner.

It was announced a study course for den mothers is being conducted at the Pahokee First Methodist Church on Thursday nights at 8 o'clock, April 30, May 7 and May 14. Paul Luce, field representative for the Gulf Stream Council, BSA, is serving as instructor for this course which is for all mothers of the Glades area who are interested in Cub Scouting.

Paul Tillery Heads Pahokee Lions Club

Paul Tillery was elected president of the Pahokee Lions Club at the annual election of officers held during the Tuesday luncheon meeting with R. B. Simonson, retiring president, presiding.

Other new officers elected were Web Pell, first vice president; Brooks Henderson, 2nd vice president; Richard C. Lane, third vice president; Kyle Scott, treasurer; Robert J. Schroder, secretary; Billy Ray Mosley, Lion tamer; Paul Collier, tailwister; E. A. Jensen and Frank Tillis, two-year directors. The new slate of officers will be inducted at the May 5th luncheon meeting with James Harry Wilkinson, Jr., zone chairman, to serve as installing officer.

The Community Betterment Committee was asked to study the proposal that the top of the Lake Okeechobee levee between Pahokee and Canal Point be given a hard surface and opened to the public as a scenic drive.

Thirty-two members of Boy Scout Troop 628, which is sponsored by the club, were luncheon guests. President Simonson introduced Scoutmasters' Louis Mims and Ed Carver who, told of the achievements of Troop 628 at the recent Gulf Stream Council Camporee. Competing with 27 other troops within the Council, Pahokee Troop 628 won the second highest number of points at the camporee, Scoutmaster Mims said.

The Florida Development Commission says nearly \$57 million was spent in Florida during 1958 by 526,000 state, regional and national convention delegates who attended 1,918 conventions.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The county commission this week approved a franchise with Sun Benches, Inc., to set up bus benches on county right of ways despite the protest of Bench advertising, a Palm Beach firm in the same business.

Two weeks ago, the commission approved in principal, a franchise with Sun Benches, Inc., and Monday declined to consider a proposal from the Palm Beach firm.

Clifford Glick, president of Bench Advertising, said his firm some time ago had requested a franchise to put advertising benches on right of way and said the firm would meet the same terms as Sun Benches, Inc.

The commission voted against the second firm, saying that Sun Benches had made its proposition public and that it was not timely for another firm to now make a bid for the business.

In other actions the board:

Approved securing necessary right of way for rebuilding 10th Ave. North in Lake Worth from "A" St. to the E-4 canal.

Approved a bid from Belvedere Landscaping and Paving company for rebuilding Apalachee Road in Meadow Park subdivision.

55 People Killed In Month On Highway

TALLAHASSEE — Fifty-five persons died in highway crashes last month in accidents investigated by the Florida Highway Patrol.

The total showed a 28 per cent increase as compared with the number that died in patrol investigation wrecks during that month a year earlier, but the overall state total, in accidents investigated by all agencies, dropped in March from 103 to 95.

The patrol investigates wrecks outside of corporate city limits, a job which is shared by other enforcement agencies, such as sheriffs' officers and county patrolmen.

Patrol investigation accidents showed a 24 per cent increase as compared with the month a year earlier. The number rose from 1,809 to 2,246 accidents.

Injuries took an upturn, too, and went from 772 in March 1958 to 1,132 last month.

Against the increasing wreck, death, and injury activity was a general quickening of arrest and written warning actions. The pa-

trol arrested over 9,000 violators, an 8 per cent increase compared with the same month a year earlier. They wrote 20,000 warnings, a 65 per cent increase and gave out over 20,000 faulty equipment notices, a 38 per cent increase.

State troopers drove over one and one-half million miles during the month, bringing to over four and one-half million miles the 1959

three-months total.

Over 53 thousand persons took driver license examinations, with less than half passing. Passing total was 21 thousand plus, while over 32 thousand failed.

Weights troopers found 571 freight and cargo carrying trucks overweight and their owners paid assessments totaling \$48,068.

Apprenticeship Week Is May 18-24

Governor LeRoy Collins has proclaimed the week of May 18-24 as Florida Apprenticeship Week to be highlighted by the First Annual Florida State Apprenticeship Conference to be held in Daytona Beach, May 22 and 23.

Roy Summers and Albert Houghting, Ft. Lauderdale, members of the Conference Board of Directors, said a large delegation is expected to attend the conference from Broward, Palm Beach, and the Glades region. They said the purpose of the conference is to maintain harmonious labor-management relations in their joint participation in apprenticeship and to promote the further development and improvement of this program to train young men to become skilled workers in their chosen trades.

Governor Collins noted that 5,200 Florida youths now are registered apprentices. Their training programs provide them experience in working on the job under the supervision of the skilled journeymen and at least 144 hours of supplementary vocational instruction in the theory behind the work they do. Governor Collins designated as the theme of Apprenticeship Week, "Apprenticeship, the Pathway to a Profitable and Useful Life."

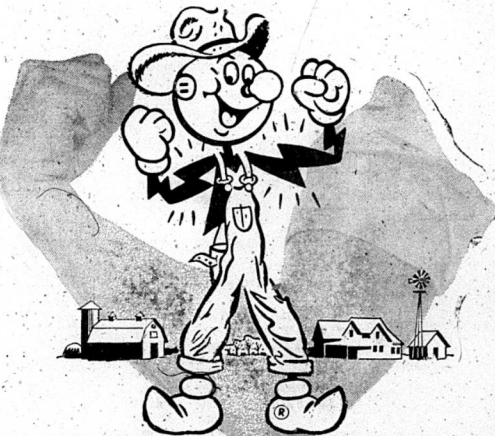

William F. Patterson, special assistant to Labor Secretary James Mitchell, will be featured speaker at the state Apprenticeship Conference. Others on the program will include a number of leaders of both labor and management in Florida.

Registered Angus Sale On Sat., May 9

PALMETTO—A gigantic offering of over 200 head of registered Angus cattle will sell in the Florida Aberdeen-Angus Association's Angus Jubilee Sale set for Saturday, May 9 at the Manatee County Livestock Pavilion in Palmetto, according to Walter R. Williams of Lakeland, association president and sale manager of the event.

The consignment includes the variety of purebred cattle that is designed to attract both purebred and commercial cattlemen from throughout the state, since a quantity of bulls will sell.

Pick your savings target and shoot straight for it!

A home... financial security... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do *more* than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you *before* you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. *That means a return of up to 80% more than you originally paid.*

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,860.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Christian Science Group Of Canal Point

God's law of justice and mercy will be brought out at Christian Science Services Sunday.

"Everlasting Punishment" is the topic of the Lesson-Sermon, a central theme of which is set forth in the Golden Text: "Evil pursueth sinners: but to the righteous good shall be repayed" (Proverbs 13:21). Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (22:30-21): "Justice requires reformation of the sinner. Mercy cancels the debt only when justice approves."

Among the Bible passages to be read is this from Psalms (51:1): "Have mercy upon me, O God, according to thy loving kindness: according unto the multitude of thy tender mercies blot out my transgressions."

Lake Park Would Stop Road Building

The county commission, which is usually encouraged to build all types of roads with all possible speed, faced a new kind of problem this week—they were sued to keep them from building a road.

The Lake Park commission, according to County Attorney Harry Johnston, has entered a suit, seeking an injunction to stop the county from building a road in the Lake Park area.

The road is already under construction and the board heard that a court hearing has been set for May 19 to consider the suit.

Meantime the commission voted to invite officials of Lake Park for conference to see if the matter can't be negotiated outside court.

Hobbies Museum Has Unique Memo

ST. AUGUSTINE—Officials of the municipal Lighter Museum of Hobbies "discovered" a collection of rare and valuable mail envelopes of the Civil War era, brought to light during a recent reclassifying project.

Known to stamp collectors as "caricature envelopes," they were used extensively throughout the Northern States during the Civil War. On their faces are printed caricatures and accompanying wording to ridicule and degrade the Southern leaders.

One envelope pictures a rope in the shape of a loop made into a "Jeff Davis Necktie," another shows "John Bull" standing on two galloping horses designated as "Union" and "Secession" while balancing a bale of cotton on his shoulders. This one is titled "John Bull in his perilous feat of horsemanship."

There are 36 envelopes mounted in a display frame and philatelists are enthusiastic about the value of such a rare collection.

During the Festival of Florida Products, the commercial fishermen of the state are pointing out that 156,014,000 pounds of salt water fish were caught in Florida waters during 1957.

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving *automatically*—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest as current income, ask your bank about Series H Bonds, which pay dividends annually by Treasury check.

2 Represent DCT At State Convention

Shirley Hignite and Wayne Elliott represented the Pahokee Diversified Cooperative Training Club as official delegates to the 20th annual convention of the Florida State Federation of DCT Clubs held in the Daytona Plaza Hotel at Daytona Beach last weekend.

The two delegates, accompanied by James L. Turner, co-ordinator of the DECT program at Pahokee High School, left Pahokee Thursday, April 23, and returned Sunday evening.

General sessions at the convention got underway Friday morning and ended with election of State officers Saturday. The Pahokee delegates were in the middle of the politicking prior to the election but being Seniors were not eligible to run for office.

Speaker at the banquet Saturday night was the Hon. Thomas D. Bailey, State Superintendent of public instruction, who was introduced by C. Wendell Echols, State supervisor of Diversified Cooperative Education.

During the convention there were many opportunities for the delegates to participate in special interest group discussions of such subjects as office occupations, sales and merchandising and miscellaneous occupations. The free time Sunday before the return trip was spent in recreational pursuits such as swimming, fellowship meetings and the like.

Some 500 DCT club representatives, district officers, district alternates, co-ordinators and chaperones were present at the convention, according to Mr. Turner.

Voters To Vote On—

(continued from page 1)
Councilman Charles Brown reported that fire truck chasers who follow the city fire trucks to alarm fires have been clogging up the traffic lanes and delaying the arrival of volunteer firemen at the scenes of the fires. The police department was asked to study this problem and curb such activities wherever possible.

Mayor Parrish reported the new concessions building at Pahokee Harbor has been completed in accordance with specified plans and the Council officially accepted the building at the meeting. Cecil Bean, an employee of the Waterworks Department, was granted an increase in salary of five dollars a week.

qualified insurance man review the county insurance program "a splendid idea" but he questioned the desirability of having the man paid by the insurance board which is made up of agents who would benefit from county insurance premiums.

The board took the insurance offer under advisement and also voted to study the insurance bids before making an award.

Both the Lake Worth and West Palm Beach insurance boards said if either of their bids were approved they would split the commissions between the two city's. The commission, it was explained, would be turned over to the insurance boards to be used for some type public service program.

NOTICE OF SPECIAL ELECTION CITY OF PAHOKEE, FLORIDA

Notice is hereby given that a special municipal election will be held by the City of Pahokee, Florida, at the City Hall in said City between the hours of 7:00 o'clock A. M. and 7:00 o'clock P. M. on Tuesday, May 26, 1959, for the purpose of affording an opportunity to all persons entitled to vote in said election to vote upon the following question:

Shall the franchise provided for by Ordinance No. 6-59, passed and adopted by the City Council on the 27th day of April, 1959, granting a 30-year non-exclusive electric franchise to Florida Power & Light Company, and entitled "AN ORDINANCE GRANTING TO FLORIDA POWER & LIGHT COMPANY, ITS SUCCESSORS AND ASSIGNS, AN ELECTRIC FRANCHISE, AND IMPOSING PROVISIONS AND CONDITIONS RELATING THEREOF", be granted?

All persons entitled to vote in said special municipal election may register therefor at the office of the undersigned City Clerk in the City Hall from 9:00 o'clock A. M. until 12:00 o'clock Noon on Saturdays, Sundays and holidays excepted, from May 6, 1959, to May 15, 1959, but no later than May 13, 1959, no person will be registered for said election.

Said Ordinance No. 6-59 reads as follows, to wit:

AN ORDINANCE GRANTING TO FLORIDA POWER & LIGHT COMPANY, ITS SUCCESSORS AND ASSIGNS, AN ELECTRIC FRANCHISE, AND IMPOSING PROVISIONS AND CONDITIONS RELATING THEREOF.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF PAHOKEE, FLORIDA:

Section I. That there is hereby granted to Florida Power & Light Company (herein called the "Grantor"), its successors and assigns, the non-exclusive right, privilege or franchise to construct, maintain and operate, under, upon, over and across the present and future streets, alleys, bridges, easements and other public places of the City of Pahokee, Florida, (herein called the "Grantee") (and its successors, in accordance with established practice with respect to electrical construction and maintenance, for the period of thirty years from the date of acceptance hereof, electric light and power facilities (including conduits, poles, wires and transmission lines, and, for its own use, telephone and telegraph lines) for the purpose of supplying electricity to the Grantor, and its successors, the inhabitants thereof, and persons and corporations beyond the limits thereof.

Section II. That the Grantor hereby reserves the right at and after the expiration of this grant to purchase the property of Grantee used under this grant, as provided by the Laws of Florida, in effect at the time of Grantee's acceptance hereof, including Section 167.22 of

the Florida Statutes of 1955, and as a condition precedent to the taking effect of this grant, Grantee shall give and grant to the Grantor the right to purchase so reserved. Grantee shall be deemed to have given and granted such right of purchase by its acceptance hereof, which shall be filed with the Grantor's clerk within thirty (30) days after this ordinance takes effect.

Section III. That the facilities shall be so located or relocated and so erected as to interfere as little as possible with traffic over said streets, alleys, bridges and public places, and with reasonable egress from and ingress to abutting property. The location or relocation of all facilities shall be made under the supervision and with the approval of such representatives as the governing body of Grantor may designate for the purpose and no such representatives shall interfere with the proper operation of Grantee's facilities and service. That when any portion of a street is excavated by Grantee in the location or relocation of any of its facilities, the portion of the street so excavated shall, within a reasonable time and as early as practicable after such excavation, be replaced by the Grantee at its expense and in as good condition as it was at the time of such excavation.

Section IV. That the Grantor shall in no way be liable or responsible for any accident or damage that may occur in the construction, operation or maintenance by Grantee of its facilities hereunder, and the acceptance of this ordinance shall be deemed an agreement on the part of Grantee, to indemnify Grantor and hold it harmless against any and all liability, loss cost, damage or expense, which may accrue to Grantor by reason of the neglect, default, or misconduct of Grantee in the construction, operation or maintenance of its facilities hereunder.

Section V. That all rates and rules and regulations established by Grantee from time to time shall at all times be reasonable and Grantee's rates for electricity shall at all times be subject to such regulations as may be provided by law.

Section VI. That within thirty days after the first anniversary date of this grant and within thirty days after each succeeding anniversary date of this grant, the Grantee, its successors and assigns, shall pay to the Grantor and its successors an amount which added to the amount of all taxes, licenses, and other impositions levied or imposed by the Grantor upon the Grantee's electric property, business, or operations, and those of Grantee's electric

subsidiaries for the preceding tax year, will equal 5% of Grantee's revenues from the sale of electrical energy to residential and commercial customers within the corporate limits of the Grantor for the twelve fiscal months preceding the applicable anniversary date.

Section VII. As a further consideration of this franchise, said Grantee agrees not to engage in the business of distributing and selling electricity during the life of this franchise or any extension thereof in competition with the Grantee, its successors and assigns.

Section VIII. That failure on the part of Grantee to comply in any substantial respect with any of the provisions of this ordinance shall be grounds for a forfeiture of this grant, but no such forfeiture shall take effect if the reasonableness of propriety thereof is protested by Grantee until a court of competent jurisdiction (with rights of appeal in either party) shall have found that Grantee has failed to comply in a substantial respect with any of the provisions of this franchise, and the Grantee shall have six (6) months after the final determination of the question, to make good the default before a forfeiture shall result with the rights in Grantor at its discretion to grant such additional time to Grantee for compliance as necessities in the case require.

Section IX. This ordinance shall take effect when a majority of the electors voting at an election to be called by the City Council for the express purpose of determining whether the franchise provided for hereby shall be granted shall have indicated by their votes at said election that said franchise shall be granted.

Section X. That all ordinances and parts of ordinances in conflict herewith be and the same are hereby repealed.

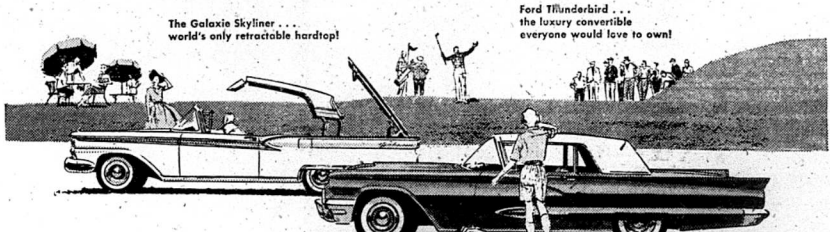

PASSED AND ADOPTED this 27th day of April, 1959.
